

# Task 3: Netflix UI Clone

Submitted by: Mithilesh Zodape

## 1. Project Overview

A pixel-perfect frontend clone of Netflix designed using HTML, CSS (Flexbox & CSS Grid), and JavaScript to demonstrate advanced UI styling and layout structuring.

## 2. Project Links

## 3. Key Code Snippet

```
/* Netflix Poster Row Layout */
.row__posters {
  display: flex;
  overflow-y: hidden;
  overflow-x: scroll;
  padding: 20px;
}
.row__poster:hover {
  transform: scale(1.08);
}
```

## 4. Project Screenshots
